### Parts List

Verify contents from the parts listed below:

Quantity	Description
1	Universal Bracket
1	Velcro Strap, 12" LG
1	Installation Sheet

### Installation

Align the mounting pins with the grid holes on the back of the enclosure. With the mounting pin plungers in the "open" position, press the unit into the grid in the desired location, secure by pushing the plungers in.

#### NOTES:

1. The panel may be installed horizontally (As Shown above) or vertically on either the left or right side of the enclosure.
2. Install Network Router onto bracket and use Velcro Strap to secure device as shown.
